SANDY

Inevitably, a shoot in a forest is always going to stimulate conversation about 'King of the Survivalists' Ray Mears. After all, this is the man who you could drop into virtually any woodland environment on the planet – without any supplies whatsover – and in half-an-hour or so he'd be fed, watered and warming himself next to a blazing fire, serenading the local wildlife on his trademark hand-carved clarinet. What we didn't count on was Sandy rather angrily interrupting our idle chatter between shots with her own opinions on the popular TV forager. "Ray Mears is a cheat. A worthless fraud!" she hissed, her perky boobs jiggling around with the force of her passionate tirade. "On one of his programmes I saw a can of spaghetti hoops poking out of the top of his satchel, and another time he definitely had a curly wurly in the pocket of his khaki shorts. Or was it a Chomp… Anyway, you don't get as big as he is from eating worms and plants." A fair point, we said, before returning to the shoot.

TEXT A HORNY MILF TODAY!

Some women just give you the horn. Lots of desperate older women who love sex, get frustrated when they're not getting enough cock. That might include the nurse who took your blood pressure or the cheeky cashier at your local supermarket. The one thing they have in common is you would love to shag the arse off all of 'em.

You might not get the chance to have a go on their bones but you can swap filthy pictures and tell them how much they give you the horn. You know she's gonna fucking love it.

We can hook you up with hundreds of filthy women but be warned, these women are looking for explicit text chat, not just swapping recipes and chats about Eastenders. If you love MILFS just go to: **www.lovemilfs.uk**

ASHLEY

As well as a stunning nudey model, Ashley has been a stunt woman for 3 years now and is in high demand. You may have seen her in the recent Bond film doubling for an exploding shed. “These days you can’t just blow things up willy nilly,” Ashley chuckled. “It’s expensive and we all have to think about the environment, so the producers dress me up to look like whatever small building they require, and I disintegrate, making sure no-one is injured by flying debris.” Isn’t it dangerous? “It can be. I was a telephone box in an episode of The Bill last year and some bloke tried to make a call. He got my door open but the receiver was actually my chin and he dislocated my jaw!” she said, as a make-up artist expertly turned Ashley’s pretty form into a greenhouse. We winced as the cameras rolled and another actor came off his motorcycle inches from Ashley, plunging head first through her glass roof. Luckily she was fine and, apart from some soil on her tits, was ready for the next scene.

SNOWFLAKE

This is the second time we've seen Snowflake in Mayfair, and her reappearance is not before time. We got so many letters after she appeared nearly a full year ago now, that we knew you were gagging to see her again. And so were we. So how come the oddly named little minx was so hard to book in for a follow-up shoot, and why wouldn't she return our calls? Had she had too much of the Ed and his wandering hands during the first shoot? Had she been kidnapped by pirates, kept aboard their ship and forced to make them shepherd's pie every day? Had she banged her head, lost her memory and, much like hapless Goldie Hawn in classic 80s movie Overboard, found herself tricked into becoming mother to a group of rebellious kids and wife to an errant husband in a gloomy shack in America? Well, no, apparently she simply got a new mobile with a new number and forgot to tell us. "It is a nice new mobile, though," she reassured us. "It's got a 5 mega-pixel camera!"

KAGNEY

Kagney Linn Karter is fast becoming one of the most talked about porn stars in the whole US mucky movie business. All throughout the industry, her name is literally on the lips of everybody from producers to directors, stars and starlets, fluffers, cameramen and even the lighting guys. So is it because of her incredible figure? Because she's as pretty as a princess and twice as nice? Because her energetic fuck scenes are second to none? Or is it because she hands out mini Mars Bars, lollipops and other delicious sugary treats to everyone she works with? We'll let you decide...

JELENA

Is there a red-blooded man in the world who wouldn't want to spend the night with the hot and horny Jelena? Yes apparently, and his name is Clive. He lives in a bungalow in Preston and is adamant that he does not want be anywhere near Jelena during the hours of darkness. "Don't get me wrong," Clive told us while queuing at the B&Q checkout with a tub of grout. "Jelena is a beautiful girl, but spending the night with her is totally out of the question."

Mystified, we decided to see if Jelena could throw any light on Clive's refusal, but she was as baffled as us. "I've never actually met Clive or even heard of him until you just mentioned his name a few seconds ago," mused Jelena. "Maybe he'd rather spend the day with me?"

Luckily, that seemed fine with Clive, and next week he's catching the train down to London before taking a thrilled Jelena on a tour of the McVitie biscuit factory in Croydon, followed by a spot of dinner. "I'm really looking forward to it," Clive told us excitedly. "I love biscuits, especially Rich Tea. They're my favourite, and I think Jelena will like them too."

TIFANNY

Tiffany has only been in the adult industry for a couple of years, but she's already assembled an impressive stateside following of fans clamouring to see more of her. We knew we had to get her in Mayfair and show you exactly what you've been missing. After all, we can't have those bloody yanks having all the fun now, can we? Tiffany is from Dallas, she's a Pisces, and, interestingly, she's: "Attracted to guys who know what they want and aren't afraid to go and get it." And on that note, I'm going to go and make myself a cup of tea in the brand new shiny office kitchen. You know, just because I want one. And am I scared? No Sir.

When you see a duffed up old couch in the woods, it's usually a good idea to give it a wide berth. A tramp may have sat on it and pissed himself. However, when we stumbled upon this leather armchair left randomly in a clearing whilst we were looking for an ideal spot to shoot Heather 'al fresco', it was too good an opportunity to miss. I mean, what a great way to get the sexy blonde babe spreading her legs and showing us her neatly trimmed pussy without getting grass on her ass, as it were?

So we gave it a quick wipe down with a couple of Handy Andies and told Heather to crack on with the business at hand – namely showing us that stunning body of hers in intimate detail. As you can no doubt tell from the sizzling images, she went about the task with commendable enthusiasm. And her reward for such vigour? Well, when the shoot was over she rooted down the back of the cushion and found 56p in small change. And we let her keep it. Yep, that's how we do at Mayfair.

M

HEATHER

CHARLIE

Next time you are beneath a cliff or standing on a rocky outcrop admiring the large chunks of stone lying around, spare a thought for highly skilled Charlie, and her difficult and dangerous occupation. You see, Charlie is one of Britain's leading boulder sitters (nude division) and without her tireless graft around the coastlines of this fair isle, fishermen, sunbathers and hikers eager for a 'little sit down' would have no idea whether the boulder in front of them was suitable for their arse. "My Grandfather was a boulder sitter during the First World War, and it was his job to go into No Man's Land and check them before the German bums beat him to it," said Charlie, wriggling her buttocks down onto a particularly good specimen. But what makes a boulder ideal for sitting on, then? "All have different pros and cons" advised Charlie. "Some can flatten the bumcheeks evenly but have mossy deposits, while others may appear to be too undulating for a prolonged sit, yet will grip the arse and prevent slippage." Right…

ANGELINA

Angelina Armani is one of the biggest names is Pornsville right now and, as is the norm with some of the higher profile girls, she sent us over a long list of demands prior to the shoot. However, Angelina's requests were, shall we say, a little more bizarre and 'difficult' than the usual calls for champagne and fluffy towels. She wanted two stuffed owls and an Alec Baldwin lookalike in the foyer, and for our receptionist to greet her in Dutch wearing a pair of wooden earmuffs. And you should've seen what she came up with for her dressing room. The breakdancing midget and cauliflower helmet were comparatively easy to sort out, but you'd be surprised how difficult it is to fashion a statue of the Empire State Building using only empty Coke cans, chest hair and sixteen stale bagels. Or perhaps you wouldn't. However, it was with everything in place and the hour of Angelina's arrival looming that we received the most annoying request of all. It was a fax stating, quite simply, that: "I would like to do the shoot in America with a photographer of my choice and send you the pictures." Typical, she'd stitched us up like a bunch of bloody kippers. Pornstars, eh? But it didn't really matter. We all went and got pissed with the Alec Baldwin lookalike and the midget. Seriously, that little guy really could breakdance!

ALEXIS

When you work in an office full of babbling pricks, it's sometimes nice to get out in the open and enjoy some tranquillity and fresh air. And when you can do it with a stunning girl like Alexis, then so much the better. Unfortunately, just as I was right in the middle of telling her how best to creosote a fence – as I'd observed that the one you see in these pictures was certainly in need of some attention! – the fucking camera crew turned up, and what a bunch of nonces they were. "Hey, did you watch that thing on TV last night? It was awesome…", "What have you got on your sarnies today? I've got egg mayo…", "Hey, have you seen Chelsea have signed that bloke from Italy? 200 million, unbelievable!" And so on… It was tiresome banter all the way. The annoying thing was that Alexis seemed to really like these guys, and kept telling them that she was "sooo glad" that they'd turned up when they did. I don't know… Perhaps creosoting advice just doesn't cut it in a world where boring old small talk is king.

BILLIE & TINA

Not just carpet-munching lesbos, it seems Tina and Billie are also a couple of activists. Tina has vowed to rid the world of curtains and formed C.A.B. (Curtains Are Bad), just as Billie has become a member of C.A.A.A.W.H.T. which isn't quite as catchy but is equally committed to its political message: Cushions Are Annoying And We Hate Them! Tina was putting the finishing touches to her 'Blinds are Best' placard just before the shoot, and told us, "Curtains! Cushions! They're part of the same problem. If we don't put a stop to them where will it all end?" "But there are cushions and curtains in these photos," we pointed out, "and you don't seem to have a problem getting your kit off with them in the background?" "Don't be silly," Tina giggled. "They're fakes!"

MARIAH

She might be a famous pornstar with over 200 filthy movies to her name, but Sicilian stunner. Mariah Milano hasn't let it go to her head. "I might've taken it in every hole onscreen and had almost every inch of my body coated in spunk, but I always remember to keep it real," she told us during a break in the shoot. "I sometimes look at myself in the mirror after a scene, and there might be some dried up semen in my eyebrow or a dribble running down my cheek; my pussy aching after a pounding…" Mariah continued with a wistful smile. "I always laugh and think: I'm one of the lucky ones. Thank you to porn for saving me from a life sitting in an office for eight hours a day and wishing I was somewhere else." This refreshing attitude, not to mention her huge tits, has seen Mariah carve out a sparkling career in the industry, and, typically, she's keen to encourage others to share in what she sees as her 'good fortune'. "I always say: 'Listen girls, I sucked fifteen cocks and drank a litre of sperm last week. What were you doing, updating spreadsheets?' It makes them think."
